## Recital FAQ

### ***Where and when is Recital?***

Recital will be the weekend of June 11th-12th, 2022 on the stage at David Brearley High School in Kenilworth. Exact Recital days & times can be found below on page 3.

### ***When exactly is my child performing? Do I have to block off the entire weekend?***

Exact show days & times can be found on the document below . Shows are no longer than an hour. Each recreational class will perform once, so they will not need to be there the entire weekend.

If you have multiple dancers who attend Fusion or if your dancer takes multiple classes, there is the possibility that the classes may be in different performances.

### ***How many tickets will be allowed? How much do tickets cost?***

You are allowed to purchase as many tickets as you would like, using your unique ticket access code. Tickets are \$20 online, or \$25 at the door (if there are remaining seats).

### ***Will masks be required?***

Masks are not required for dancers or audience members, it is up to the individual family's discretion.

### ***Where will dancers stay during the show?***

All dancers are assigned to a backstage group during the recital. Parents sign their dancers backstage and are then encouraged to go sit in the auditorium. Parents can get a wristband if they want to go backstage during the performance. The same parent or guardian must sign the dancer out at the conclusion of the performance. Dancers are supervised backstage and are required to stay for the entire performance. We encourage you to pack clean snacks and water for your child to have backstage.

Shows are 45 minutes to 1 hr.

**\*\*Please note that for Tiny Toes classes, dancers do sit in a designated row during the recital with one parent or guardian. They must stay there the entire show except when teachers come to get the dancers for their performance.\*\***

***Can my dancer come sit with me in the theater once they are done dancing?***

No, we require dancers to remain backstage the entire time. Dancers are lined up to come back out at the end of the show, so we have all groups stay backstage together throughout the show.

\*If you need to pick your dancer up for any reason mid-show, office staff must be informed via email prior to recital weekend.

***Are snacks with nuts allowed backstage?***

No. We are peanut and tree nut free backstage due to potential allergies.

The full costume, all accessories, and a pair of tights. Parents need to provide the shoes listed on the class shoe requirement page and sticker that gets attached to their costume to be sent home.

Yes, however we encourage you to arrive early in order to get a parking spot close to the school. Parking in fire zones or non-designated parking spaces will result in a ticket, which we are not held responsible for.

***What time does my dancer need to arrive to the recital?***

All dancers must arrive 30 minutes prior to the start time of their recital. We start our recital promptly at the minute and will not wait for dancers who are late. Please bring your dancer in their costume with hair and makeup done so that they only need to put their dance shoes on.

Parents must get a wristband to go backstage during the recital. Once the show begins, only female adults are allowed in the Girls Dressing Room, no males. Adults are allowed into the Boys Dressing Room. We encourage parents to stay in the audience for the entirety of the show as we have plenty of helpers in the dressing rooms to supervise and assist the dancers.
