## 2023-2024 Rates

### Registration Fees

#### ONE STUDENT

Yearly Registration Fee - \$30

#### FAMILY

Yearly Registration Fee - \$50

Upon registration, first and last month's tuition is due, as well as the registration fee. June is our last month and it is 1/2 a month, so the **total tuition due with registration is 1.5 months.**

### Payment Plans

Tuition is calculated based on the full dance season, accounting for holidays and snow days. **Siblings** enrolled at Fusion receive a 10% discount off the second child's tuition of equal or lesser value.

Fusion Dance Centre offers two payment plans for the 2023-2024 Season.

#### MONTHLY

- Tuition is calculated based on the full dance season, accounting for holidays and snow days, and divided into 9.5 "monthly" payments.
- Initial payment upon registration that includes first month's tuition, last month's tuition, and the yearly registration fee.
- Monthly tuition due on the 1st of the month from October-May.
- Automatically\* withdrawn from your account's Visa or MasterCard on file.
- Payments received after the 10th of the month will be charged a \$15 late fee. NO EXCEPTIONS.

#### FULL YEAR (5% discount)

- Initial payment upon registration that includes first month's tuition, last month's tuition, and the yearly registration fee.
- Balance of full-year's tuition due October 1st.
- Payment must be received via **CASH or CHECK only** to receive 5% discount on tuition
- If full-year payment is not received by October 15th, then the discount will no longer be applied

*\*Please speak to our account manager if you have a unique situation and would prefer to not be charged automatically. Please note, though, that we do not send billing reminders and it is the account holder's responsibility to make a payment before the 10th of the month to avoid accruing a late fee.*

## Tuition Policies

- Tuition is calculated based on the full dance season, accounting for holidays and snow days, and divided into 9.5 equal payments. Siblings enrolled at Fusion receive a 10% discount off the second child's tuition of equal or lesser value. The discount is only given to siblings and cannot be extended to more distant family relationships.
- Payment responsibility is that of the family. Each account at Fusion Dance Centre will be under ONE parent or guardian's name, and it is the responsibility of that parent or guardian to keep payments up to date. There are no exceptions to this policy. All payment issues between families should be organized outside of Fusion Dance Centre. **There are no partial payments accepted in the event a dancer's tuition is being funded by more than one party.** Please make arrangements prior to the season as to how your dancer's account will be handled.
- All financial obligations carried over for more than three months will be handed over to a collections agency and your dancer will be unable to participate in class. All payments, including registration fees, tuition, costumes, and Performance Program installments, are non-refundable. In the event a check is returned, a NSF fee of \$20 will be charged. After two returned checks, only cash payments will be accepted.
